

## IMPORTANT PARKING UPDATE — Wed–Fri, 8:00 AM–5:00 PM ONLY

Due to parking changes at USCB Center for the Arts, a change has been made to parking.

On **Wednesday, Thursday, and Friday between 8:00 AM and 5:00 PM ONLY**, the parking field next to the Center for the Arts (D on the map) will be **reserved for students, faculty, and staff** and will **NOT** be available for festival parking.

During these specific days and hours, additional festival parking will be available in the **lots clearly marked on the map with red and blue stars**. You may desire to walk from the additional 2 locations Uptown. However, for your convenience, a **continuous shuttle service** will run from the 3 blue starred locations on the map to USCB CFA.

**Outside of these three days and times, the field parking (Parking Lot D) WILL BE available as usual.**

**Thank you for your patience and cooperation.**
